Atty. Docket No.: 25436/1344 PATENT
IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Application of:	Carstens
Serial No.:	Not yet assigned
Filed:	February 11, 2004
Entitled:	Methods and Compositions for High Level Expression of A Heterologous Protein With Poor Codon Usage

Mail Stop Patent Application
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR §§ 1.56, 1.97 AND 1.98

Dear Sir:

In accordance with the duty of disclosure under 37 CFR § 1.56, Applicant submits this Information Disclosure Statement pursuant to 37 CFR §§ 1.97 and 1.98 in the above-identified application for consideration by the Patent Office.

A listing of the cited documents is also enclosed. Please note that copies of these references were filed in the parent application 09/492,590.

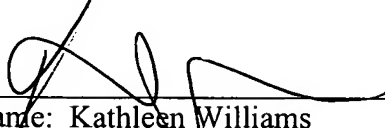

Pursuant to CFR § 1.97(b)(3), because this Statement is being submitted before the first Office Action on the merits, no fee is required.

Applicant does not intend to represent that any of the documents submitted herein are material prior art to this invention or that the list represents an exhaustive search of documents related to this invention.

Applicant respectfully requests that the documents submitted herein be considered and made of record in this application.

Respectfully submitted,

Date: February 11, 2004
